

## MEN IN SHEDS.

A Community Workshop has started within the Fairways Centre, Knowle Green, Staines-on-Thames. TW18 1AJ. It is known as 'Spelthorne Men in Sheds' designed primarily for retired men who would like to spend time on hobbies in our workshop and maybe do some repairs for themselves or friends and neighbours.

We have a range of tools, both electrical and manual at our disposal, including a woodworking lathe, pedestal drill, bandsaw, tablesaw, mortiser, thicknesser, metal working lathe together with a range of hand tools. We would particularly like to hear from you if you have mechanical or woodworking or electrical experience and would like to share your knowledge with others.

At the present time we are open Tuesday and Thursday afternoons but may open other days if there is more interest.

Come along and give us your ideas to make it a success. Please call me on 01784 254476 to make sure I or one of my colleagues are present.

Fred Wallin.

It is supported by Spelthorne Borough Council, Surrey, Surrey Choices and Surrey County Council.
